A PRAYER FOR RECOVERY AFTER HURRICANES HARVEY AND IRMA

God our Father, in the wake of disaster, visit our places of desolation with your consolation. Bring strength to the weary and courage to those who feel overwhelmed. We believe that you hold our concerns in your Fatherly care, and that you entrust us to one another as sisters and brothers. Mobilize your people near and far to feed the hungry, shelter the displaced, and protect those in deepest poverty. As we rebuild what is ruined, may we recover together as a stronger community. We ask this through Christ, our Lord. Amen.

YOU CAN BE A VOLUNTEER TUTOR AND HELP A NEIGHBOR LEARN ENGLISH

Many new residents of our Villages are unable to speak English. Eager to learn, they come to the Library and ask for help from Literacy Volunteers of the Tarrytowns. Our organization has helped many hundreds to speak, read and write English, but we need more tutors, because there are always more men and women – our neighbors – waiting for someone to teach them. Will you help one of them? All you have to do is take our English for Speakers of Other Languages Tutor Training Workshop. You do not need prior teaching experience and you do not need to know a foreign language. If you are nineteen or older, with a good command of the English language, and have a desire to help someone, you can become an ESOL tutor. Upon completion of the workshop, you will be able to tutor an adult on a one-to-one basis. A commitment of two hours a week for a year is all that we ask. It is a rewarding experience to the student and for the tutor. Understanding the English language is imperative to these students for obtaining better jobs and continuing their education. Our students rely on these services to give them an opportunity to succeed in this country. You will be providing a lifelong benefit to the adults you tutor.
